

Semjase's Sides:

Zak meets Semjase:

INT. GRANT'S SMALL CABIN - LIVING ROOM - DAY

Semjase holds up the paper bag and coffee.

SEMJASE

Are you hungry? I got you some
bagels and coffee.

Zak, steps back, a bit uncomfortable with this situation.

ZAK

Do I know you?

SEMJASE

Sorry. I didn't mean to startle
you. We were informed about your
arrival this morning. I'm
Semjase. I'm here to help.

ZAK

We?

SEMJASE

Everything will be explained
soon.

She puts the coffee and paper bag down on the kitchen table.

As she does, Zak looks at the OPEN DOOR he knows he locked
last night - realizing there is no way the DEAD-BOLT could
have been unlocked from the outside.

SEMJASE (CONT'D)

Can I help you with those?

ZAK

Huh?

SEMJASE

Your clothes. Were you about to
wash them?

ZAK

Uh... no. I think I'll keep them.
Thanks. I'll just uh... I'll be
right back.

Zak goes into the bedroom and shuts the door.

INT./EXT. ZAK'S CAR - DAY

Just as Zak starts to pull out of the driveway, the car stalls. He tries to start it again, but each time he turns the key, nothing happens. It is completely dead. He looks up and sees Semjase exit the cabin and come toward him.

SEMJASE
Going somewhere?

Zak gets out of the car, pointing his pistol at Semjase.

ZAK
Stop right there!

She smiles as she casually flicks her index finger down.

SEMJASE
I really don't like that.

The CLIP falls out of the pistol in Zak's hand. He quickly bends to pick it up as Semjase confidently walks up to the car, opens the passenger door and gets in.

She reaches over, touches the ignition switch and the car starts back up.

Zak stands dumbfounded.

SEMJASE (O.S.) (CONT'D)
Now we can go.

Holding the clip in place with one hand under the other, he points the gun into the car.

ZAK
Not until you tell me what's
going on.

Suddenly, the gun turns red hot.

ZAK (CONT'D)
(dropping the gun)
AHH! Son of a...

Semjase looks insulted.

SEMJASE
I'm really getting tired of you
pointing that thing at me.

Zak shakes his hand and looks at her through the window.

(CONTINUED)

CONTINUED:

ZAK
How did you do that?

SEMJASE
What?

ZAK
You know what!

SEMJASE
No I don't.

Zak looks very frustrated and confused.

SEMJASE (CONT'D)
Well? Are you coming?

ZAK
No. I don't think so. No.

She turns the car off once again.

SEMJASE
OK. Suit yourself. I just thought
you'd want to know what happened
to you, why you can't remember
anything and why you have that
symbol embedded in your hand.
